Dear System and/or Operator,

The MsRWA has been awarded the contract for the MSDH Water Operator Certification Short Course and CEU trainings.

We are excited to be a part of the short course and look forward to serving each and every one who attends. It is our goal to serve you in the upmost and professional manner as we can and make this an enjoyable experience for you in your career in this industry. It is a very rewarding career you have chosen.

The Water Certification will be held September 11-15, 2017 at the Mississippi Coast Coliseum & Convention Center. We will be in Hall A/B on the East Side of the Convention Center. Enter the grounds from Beauvoir Rd, through Gate 3 and enter building from the East Lobby. You will see the signs from there.

We will be having a CEU class for water/wastewater on Tuesday, Wednesday and Thursday morning. That agenda will be coming soon.

Don't forget to sign up for the "Fish Fry" on Tuesday evening, held at the Point Cadet Plaza.

Enclosed is the short course agenda and registration info. If you need any additional information, please feel free to contact our office at 1.800.343.2520. You can also visit our web-site at www.msrrwa.org

We are applying for at least 18 CEUs in water and some wastewater (not sure at this time how many).

We hope to see you there. If any of the MsRWA team can be of assistance to you, please feel free to give us a call. During the week of the short course if the staff or I can assist you in anyway, please don't hesitate to ask. We are here for you.

Sincerely,
Kirby Mayfield
CEO
MsRWA
